On the 50th Anniversary of the Weston Library at its present location, please renew your Friends Membership to assist in continuing our work enhancing the offerings available through the library.

The Friends of the Weston Public Library is a volunteer organization that provides programming, activities and services at the Weston library for the benefit of our community. By providing a forum to see artists, authors, musicians, filmmakers and other interesting speakers, we strive to make our small town library a welcoming place where the community can gather, attend a lecture, view a film, discuss books and meet people in town who share similar interests.

Your earlier Friends contributions have helped sponsor the following programs:

The New Yorker Roundtable- read & discuss current articles in the magazine, led by Diana Loevy.
Two Adult Book Discussion Groups - meeting monthly in the library with a professional moderator, Wednesday evening - led by Dr. Lisa Dresdner, Professor of English, Norwalk Community College and Thursday morning – led by Diana Loevy, author of The Book Club Companion. The library provides copies of the selected books.
Lunch & Learn – a lunchtime program. Bring your brown bag lunch and listen to a lecture. Past topics have included: local authors, using your smart phone, how to use digital media, gardening tips and taking better photographs.
Films – Presenting current popular movies and documentaries, often with writers/directors in attendance to answer questions about the screening.
Pajama Pictures – A children's film series offered during the summer.
Play with Your Food – A special Weston performance of the well-known theater program that includes lunch, short plays and a post-performance talk back.
Animal Embassy –Exciting nature programs for both children and adults.

In addition, the Friends have purchased the following items for patrons to use:

New NEC projection system.
Museum passes: check them out like a book and visit for free or a discounted admission.
Ereaders: 2 color and 1 black & white Nook.

Our programs are open to the public and the majority of them are free; the Friends underwrite all costs whenever possible. We receive no funding from the town of Weston and rely on the generosity of our residents for financial support. Please renew your membership and continue as a Friend of the Weston Public Library with a tax-deductible* contribution. Checks should be made out to Friends of the Weston Public Library.
